

Carrington News: May 2023

"Well, it certainly has been a busy half-term at Carrington! The children have worked incredibly hard over the last 6 weeks and it has been a real joy getting to know them all! All of the staff also deserve huge credit for the hard work they put in everyday to support our children's learning. I'd also like to say a huge thank you to the wider Carrington community, including parents and carers and the FOC for making me feel so welcome in my first half-term! Take a look below for the latest news and for key dates the remainder of the year."

Mr Digges

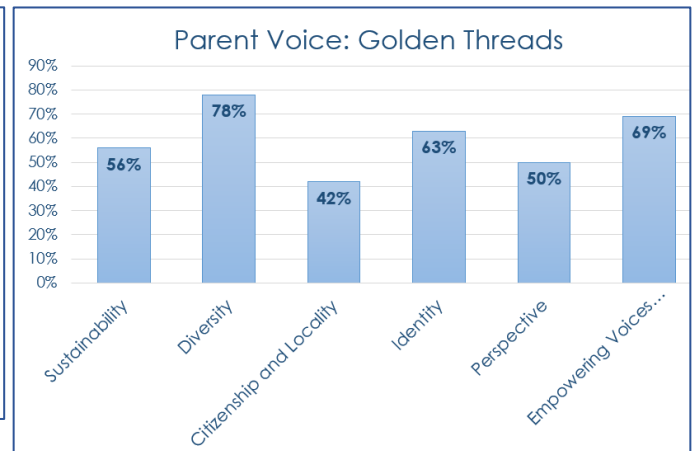

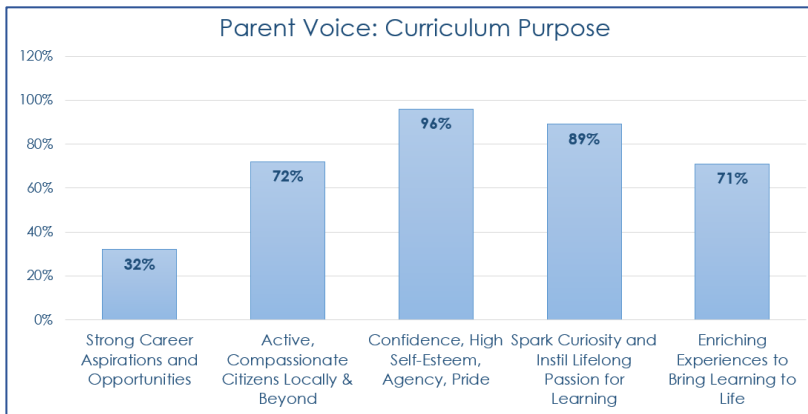

Well Done Year 2 and Year 6!

The children have taken on the challenges of SATs with confidence and resilience and we couldn't be prouder of their achievements this year!

The Carrington Curriculum

Thank you to everyone who shared their views about the curriculum. It was really valuable feedback and the staff have already begun to use your thoughts to inform our curriculum design. Here is what you said:

Goodbye and Thank You Mrs West!

This half-term, we say goodbye to Mrs West who has made the decision to retire. She has been a fantastic teaching assistant at Carrington for an incredible 22 years! I'm sure you will join us in wishing Mrs West the best for the future and on behalf of all of us at Carrington, I'd like to thank her for her commitment and dedication over the years. She will be sorely missed!

Carrington News: May 2023

Coronation Picnic

Despite the weather, the FOC were still able to run a delayed tombola, raffle and cake sale, which alongside other recent events has raised a fantastic £279! Thanks to everyone who helps to make these events happen!

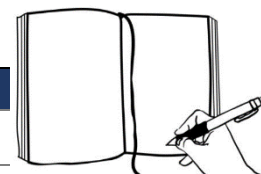

PE Store

Thanks to the handywork of our very own site-manager, Steve, the school will soon be benefitting from a new PE shed in the playground! This will mean the children have access to lots of sporting equipment to bring their PE learning to a new level!

Creative Genius in Year 3 and 4!

Our children have wowed us all with their amazing, creative artwork they have produced during a recent art project. These will soon be used to decorate an area of the school playground. Well done to all involved!
