

Let's take a moment to reflect on all that has been achieved across the school at the end of another busy term.

A big well done to all of our children for their hard work, positive attitudes and resilience throughout the term. They truly are a credit to the school. We would also like to extend our sincere thanks to parents and carers for your continued support. Your encouragement at home and involvement in school life makes a real difference and is greatly appreciated by all staff.

We hope you all have a restful and enjoyable Easter break, and we look forward to welcoming everyone back for the summer term.

Working together for school attendance

Thank you to the whole community for being such amazing partners in your child's learning, committed to promoting strong school attendance. It makes a huge difference.

Reminders:

School	National
95%	94.6%

- The target is 96% for every child
- You can see the attendance policy in full or read a summary of key points on the [school website](#).

Nature Park Initiative

Initial work has begun to improve a green space on our school site. Foundations have been laid for children to participate in workshops in the summer term to install a range of exciting features that will enable children to take purposeful learning of science and sustainability outside. Features will include: a bucket pond, a 'dead hedge' habitat, a weather station, raised beds for planting and growing and a wildflower meadow. We will keep you posted on how this develops in the summer term!

DAaRT Workshops and Graduation

Team 6 took part in workshops about 'Drugs Alcohol and Resilience Training' focussing on life skills, resisting peer pressures and staying safe. The facilitator who visited the school said that this was one of the best groups she has ever worked with. Well done Team 6! The series of lessons ended with a graduation ceremony where children presented their learning and also quizzed the adults on their knowledge!

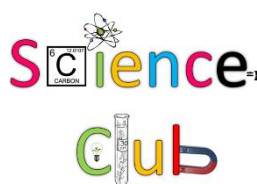

People Who Help Us!

Children in Early Years were visited by the emergency services this half-term as part of their topic about 'People Who Help Us!'. They really enjoyed the police visit and were also visited by a member of the paramedic team, who is one of our very own parents! Up next after Easter, is a visit from the fire service!

Extra-curricular clubs

Children have really enjoyed attending a range of after-school clubs this half-term. We have more on offer after Easter and will continue to do so until the summer break.

Trip to Bosworth Battlefield

Year 4 had a great time visiting the site of the Battle of Bosworth to bring their history learning of the Romans to life! They re-enacted as Roman and Celtic warriors and examined a series of interesting artefacts.

Great Orchestra Experiment

Children in year 4 also visited the Albert Hall to showcase all the fantastic learning that has been happening in clarinet lessons!

Easter Egg Raffle

Thanks to Mrs Hallam and the school council for organising the Easter Egg Raffle. Many children have won easter eggs and the school has raised over £200. Well done team!
